# Global Partner | Local Solutions

Established in 2005, Atlas Design is specialized in designing and building custom-made exhibition stands.

Atlas Design is based in UAE and Turkey.

Atlas serves clients not only locally (in the Middle East or in Europe) but also internationally with 5 global offices and professional team.

We are a highly dynamic company with several organizations in Dubai, Russia, Germany, Turkey and Iran.

Our close-knit team works seamlessly under one roof, providing us with the unique opportunity to take your project through every step of the way, from concept and design to logistics and installation.

Our attentive team goes the extra mile to provide a tailored service that ensures all of your contracting requirements are met.

Clients work closely with our experienced project managers, who ensure clear and continual communication throughout each project.

In turn, our integrated project management service takes the stress out of organizing events, leaving you free to focus on showcasing your services or products.

Behind the scenes our highly skilled production team work meticulously to produce quality designs that facilitate your needs and encourage engagement. Therefore, you can safely relax in the knowledge that your distinct exhibition stand will be delivered on time and on budget.

Take a stand with Atlas Design and showcase your products or services proudly.
